BEERS

Our craft beer selection.

ADRIATIK 0.4 L - 6

Adriatik [5% alcohol], is a fresh and well balanced blonde pale ale. The addition of Piran salt boosts up its taste making it light and mildly salty. Furthermore, it serves as a metaphorical bridge connecting the sea with the Istrian land.

BELGIAK 0.4 L - 6

Belgiak [5% alcohol], is what you would call a "passepartout" beer. Its round notes and medium body make it a go-to for pretty much everyone who is after something fruity with light floral hint of hops. "Easy to drink" and "dedicated to the belgian tradition" sit amongst the most fitting expressions that best describe it.

BRINJEK 0.4 L - 6

Brinjek [5.5% alcohol], is a traditional German Altbier with the addition of juniper berries. The color is copper to light brown, with an excellent clarity and a showy off-white cream-thick head. Notes of roasted nuts, caramel and bread crust are signature traits to the German base malt. The real deal to pair with second courses.

MOZAIK 0.4 L - 6

Mozaik [5% alcohol], is nothing short of an outstanding Pale Ale. Rich and malty, with a clean and crisp voice, and a tropical fruit aroma. (Can't go wrong with all that!) Mozaik offers the perfect balance between the Pilsener malt and the precious and delicious mosaic hop.
